

# Watling Lower School

## Maple & Acorn

### This half term we are learning:

**Topic** - Ourselves

**Personal, Social and Emotional**- show an interest in classroom activities through observation and participation; build relationships through gesture and talk; communicate freely about home and community.

**Literacy**- Show an awareness of rhyme and alliteration; develop an interest in books; listen and respond to stories and discussions; use clearly identifiable letters to communicate meaning.

**Problem solving, Reason and Maths**- count and recognise numbers 1 – 10; respond to the vocabulary of subtraction and addition; describe shapes in simple models, pictures and patterns.

**Knowledge and understanding of the world**- Observe, select and manipulate objects and materials. Identify simple features and significant personal events.

**Physical Development** - Move with confidence in a variety of ways showing some awareness of space.

**Creative Development**- Create simple representation of events, people and objects and engage in music making

Our favourite learning has been ... exploring the outside area, and using and playing with the toys out there.

We are looking forward to: meeting everyone at the coffee morning

Reminders: Coffee morning in the EYFS classrooms on Friday the 7<sup>th</sup> October 9.00 – 11.30

### Photographs of our learning:

**In the writing Corner**

**At the Hairdressers**

**In the computer suite**

**Playing in the water outside**
