

In Chestnut our favourite learning has been:

I liked finding out about flying ants.

Jack Deardon  
on Chestnut's non-fiction work in literacy.

It was fun singing and dancing to the months of the year song in numeracy.

Katherine

We are looking forward to: using our outdoor learning area.

### Reminders:

We ask as we feel it is really important that you hear your child read at least twice a week. We also ask the children every day if they have a home reader to change, we ask *them* to get it out of their book bags and put it in the home reader box to be changed. Please can you ensure you sign the home reading record so we know the book has been read.

**Chestnut urgently need volunteers to help hear children read. If you have a spare hour once a week it would be greatly appreciated** and also give you an opportunity to see your child's learning in action.

We do our spelling test on Thursday and your child's red spelling book is needed for the test.

In Rowan our favourite learning has been :

In Science we looked at different materials and described what they looked and felt like.

Xavier

**Please make sure your child has a coat in school.**

We are looking forward to:

We have started to learn our songs for our Christmas performance. We are looking forward to acting and singing.
