

Christmas Surprise Room

The Christmas Surprise Room will be opening its doors on Monday 5th and Tuesday 6th December. For those of you who are new to the school I will explain how this works. We run a shop for two days where the children come to purchase a gift for their loved ones. They are collected from class and taken to the shop (within the school) where they are able to choose the gift, wrap it and write a label before taking it home to keep hidden until it is time to put it under the Christmas tree. There will be lots of grown up helpers to help them with their wrapping and writing if it is needed. Your child may purchase as few or as many as you wish.

If you wish your child to take part in this then please fill out the form below indicating how many gifts you would like your child to choose and wrap. Children can pick presents for their Mums, Dads, Grandparents, siblings or anyone else they wish to treat. But can they keep it a secret!! Please ensure you put names and ages of each person as the children often forget who they are choosing for! Gifts will cost £2.50 each.

As always we need volunteers who can help the children wrap their presents so if you have a spare hour or two please put your details below. Forms and payment need to be returned to school by 3.20pm Friday 2nd December. If you have any questions feel free to contact me in the playground, through the school office or on my number below,

Many thanks
 Fiona Kiteley, PSA
