

We are a Values School

Valuing Children, Valuing Learning, Valuing our Community

Each half term we focus on a particular value and share what this means for us, our learning and our community. We learn to understand what the value looks like for us and how we can demonstrate the value in the way we behave in our attitude towards each other and in our learning.

For those children who go that extra mile and show us all what the value means in what they do each week we say thank you by awarding them a 'Value Apple' which we display on our Value Apple Tree in the entrance hall.

For those children who demonstrate that they understand our value and are consistent in the way they express this over a half term, we invite parents into to school for a special Golden Apple Award assembly.

Our Values are part of everything we do in school and are an important part of everyday life. We have a cycle of Values which are:

Caring	Respect	Forgiving	Unity	Perseverance	Appreciation
Understanding	Peace	Tolerance	Friendship	Patience	Humility
Trust	Courage	Honesty	Co-operation	Responsibility	Sharing
